

Dear Parents and Carers,

Prior to the Christmas break I sent you a letter high-lighting some of our plans aimed to support our Y11 students and yourselves as they prepare for their summer GCSE external examinations. These plans being designed to help improve the academic results and life chances for our Y11 students.

Please find below a reminder re the plans we informed you about:

- Mock exam results will be released to students on Monday 15<sup>th</sup> January at 10.40am; in response to parental feedback we will also ensure these are sent home so that you have access to them. Following this, at 11.45a.m. Y11 will have a brief assembly reflecting on their personal achievements and next steps in regards to these outcomes.
- During the course of Monday 22<sup>nd</sup> January and Tuesday 23<sup>rd</sup> January Year 11 students will also receive a revision workshop delivered by an external speaker who specialises in helping students prepare for the extensive amount of revision that all learners across the country will balance and undertake in preparation for their GCSE exams. These sessions will occur during the time normally allocated to core PE.
- On Monday 29<sup>th</sup> January we will be hosting a ‘Making Revision Work’ evening for **all Year 11 students alongside their parents**; this evening will explore general principles behind effective revision and will include time with the leaders of Maths, Science and English to share/explore suggested revision ideas and tasks. The evening will run from 6pm – 8pm and we would love to see as many Year 11 students and families as possible. Please complete the reply slip below so that we can plan effectively for the evening.

We believe in the potential of each and every one of our Year 11 students and we are determined to do all we can to help them achieve this and beyond. Thank you for your continued support and we look forwards to working with you on Monday 29<sup>th</sup> January.

Yours faithfully,

Chris Wilson  
Deputy Headteacher
